Payment of a per person waiver insurance fee guarantees **full refund** on all payments (including deposit), **except the waiver fee itself**, made to Collette Vacations for tour service in case of cancellation for any reason prior to the day of departure. Air inclusive waiver insurance may be purchased only if you purchase your airline tickets from Collette Vacations.

Once on tour, if a passenger has to return home early due to personal illness, illness or death of a member of the immediate family, (physician's statement required), payment of the waiver fee to Collette Vacations guarantees full refund for any unused land services after departure from the tour. Payment of the air inclusive waiver guarantees your return transportation, with no additional supplement, utilizing your original airline tickets. In the event you have purchased non-refundable airline tickets, the air waiver does not apply.

The waiver insurance fees are **fully refundable up** to 12/14/2008. Waiver insurance is non-transferable and valid for each applicant only. *Waiver Insurance must be purchased at time of first deposit.*

Collette Vacations can assume no responsibility for and cannot be held liable for any wrongful, negligent or unauthorized acts or omissions of any travel agent or travel agency other than that of Collette Vacations itself, and its own employees.

The waiver insurance fees do not cover any single supplement charges which arise from an individual's traveling companion electing to cancel for any reason prior to departure. In this case, the single supplement will be deducted from the refund of the person who cancels. Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the canceling client, the traveling client will be charged the remaining portion of the single supplement. The waiver covers cancellation of your trip and does not cover cancellation of the airline portion only.

The waiver insurance fees cover lost, damaged or delayed baggage as well as medical expenses, emergency medical attention and worldwide travelers' assistance. See your booking agent for details.
