Earned excellence.

The best business schools in the world.
 The best accounting programs in the world.

Accreditation. The MBA program is accredited by AACSB International - the Association to Advance Collegiate Schools of Business. The School of Business has been AACSB-accredited since 1975. Only 15 percent of business schools worldwide have earned this prestigious seal of approval. SIUE is accredited by the Commission on Institutions of Higher Education of the North Central Association of Colleges and Schools.

Recognition. In 2006, the School of Business at SIUE was named one of the best graduate business programs in the United States by The Princeton Review. The rankings published in the 2007 Best 282 Business Schools, according to The Princeton Review, were compiled based on results of surveys of students and on institutional data from those schools. Survey respondents described SIUE business professors as “very knowledgeable and well-prepared for classes” and “very interested in providing an excellent learning environment.” Students said they are drawn to the SIUE School of Business because of its excellent reputation and AACSB International accreditation.
