The event begins in Room 1103**

Curious about what your "SIUE School of Pharmacy Student" is learning and doing every day?

Join us for an afternoon of classroom technology and lab demonstrations, "mini-lectures," tours and more.

Meet faculty members, ask questions, and "experience" being a Pharmacy student for a day.

Family and significant others of all School of Pharmacy students are welcome but please let us know the number attending.

R.S.V.P. by Tuesday, November 18th to
