SOUTHERN ILLINOIS UNIVERSITY
EDWARDSVILLE

Freshman Registration Information

Welcome to the SIUE community. Please review the following information carefully for your next steps to complete your SIUE enrollment. Your admission is valid only for the term indicated in your admission letter. If you are unable to attend this term and wish to be considered for a future term, please submit a new application. (*You may do this for two additional consecutive terms before another application fee will be required.*) Additional information for admitted students is available at siue.edu. Please feel free to contact the Office of Admissions regarding any additional questions about SIUE.

Your admission was based on your academic record to date and is contingent upon successful completion of any course work in which you may now be enrolled. Prior to the start of classes for the term in which you plan to enroll, you must have your final official transcript with your graduation date indicated on the transcript sent to the SIUE, Office of Admissions, Campus Box 1047, Edwardsville, IL 62026-1047.

Registration

The SIUE undergraduate catalog and class schedules are online at siue.edu/registrar.

All new freshmen are admitted as undeclared majors. You will have an opportunity to discuss the process of applying for a major during your advisement session.

College Credit earned from other regionally accredited institutions must be sent on official transcripts from the granting institution directly to the Office of Admissions. Please note any college credits obtained while attending high school also must be reported on an official transcript from the college or university at which credit was earned. Send to: SIUE, Office of Admissions, Box 1047, Edwardsville, IL 62026-1047.

Placement testing information (*if required*) will be included in the packet with the registration information. You can find additional information about placement testing and register for necessary tests at siue.edu/IS/TEST/PLACE.

Fall Admits

New freshmen admitted for the fall term will be advised and registered for courses during the Springboard to Success program; information regarding and registration for this program is available online at siue.edu/springboard. Invitation packets to Springboard to Success will be mailed approximately two weeks after receiving your admit letter. Attendance at this program is mandatory and students must submit the Springboard to Success registration/enrollment fee prior to May 1; this fee is nonrefundable. All Springboard to Success registrations and fees submitted after May 1 will be considered on a space available basis.

New freshmen and parents should attend the New Freshman Welcome and Convocation the Saturday before classes begin.

Spring/Summer Admits

New freshmen admitted for the spring or summer term are required to schedule an hour advising appointment with an academic advisor in the Office of Academic Advising at 618-650-3701. You will receive a packet with specific information about your advising appointment at a time that is appropriate to your first term at SIUE.
